On a train that's a-headin' for ecstasy
Ever get the notion to feel the locomotion
Ride it on baby I'll show you how

Come along take a trip in your mind
Any trouble you can leave it behind
Scooby ooby dooby check out the show

Flood your lights as a matter of fact
Everybodys movin' and a groovin' in time
Like a-singin and a-swingin like a nursery rhyme

Feel the rhythm of the wheel on steel
track-crackin', everything's real
Don't hesitate, don't put on the brake
'Cause it's the happenin' ride to take
