Scatman John

Putching pa po pe, everybody Scatman
Putching pa po pi, everytime Scatman
Pa pa po pe pa pa, purrrrrr...

Putching pa po pe, everybody Scatman
Putching pa po pi, everytime Scatman
Pa pa po pe pa pi pa pa pe ya da da
Bee dung dung, bee dun gun, putchin putchin pring

No matter what you say
No matter what you do
It's the love that's in your heart
That's gonna see you through
No matter what you see
No matter what they say
A smile on your face can only make a happy day

This is my song for you
Happiness will see you through
Listen to what I say
We can make a happy day
Keep living for today
And everything will be alright
No matter what they say
Love is here to stay
