Scatmambo

Check it out, check it out
Look at it, baby
(Scatting)... different kind-a dancebeat

Feel the rhythm in the sole of your feet
Gotta get down, and get crazy
Que paso baby... Good lookin' lady
Ooh yeah, I love you mami

Get the rhythm in the pits of your soul
Open your heart and let it all go
To the SCATMAMBO

Scatmambo... aaarrrrgh

Scatmambo (2x)

Everybody do the dance of the night
With your wife for the rest of your life
(Scatting)... Scooby-oobie-doobie, just like a movie
Kinda makes you wanna go to Havana

Feel the breath from the rhythm of the palm trees
Children on the shoreline, happy and free
Match it to the music, in the background
Everything's shakin' with SCATMAMBO

Bang! Boom!
