

# Sing Now!

Scatman John

This is the dawning of the new day,  
The wars are over.  
This is the time, the perfect time,  
For perfect harmony.

(Scatting by Scatman John)

Sing Now (Oaaaoh),  
The time is right now,  
For everyone to be happy.  
Sing Now (Oaaaoh),  
The time is right now,  
For everyone to be happy.

Maybe we should stop pretending,  
And start believing dreams come true.  
The story has a happy ending,  
It all depends on me and you.  
This is the sunrise (echo),  
It's the beginning of the dawn,  
Gotta believe me, believe in the sun

Sing Now (Oaaaoh),  
The time is right now,  
For everyone to be happy.  
Sing Now (Oaaaoh),  
The time is right now,  
For everyone to be happy.

There isn't any time for secrets,  
You know the truth is finally out.  
Everything is in the music,  
It's time for us to stand and shout.  
This is the sunrise (echo),  
It's the beginning of the dawn,  
Gotta believe me, believe in the sun.

Sing Now (Oaaaoh),  
The time is right now,  
For everyone to be happy.  
Sing Now (Oaaaoh),  
The time is right now,  
For everyone to be happy.

Sing now,

(Scatting by Scatman John)

For everyone to happy.  
Sing now,  
The time is right now,  
For everyone to be happy...
