

# Take Me Away

Scatman John

[JOHN:] Listen to the Scat reggae!

I'm so happy I could kiss the sky  
A Beautiful woman is the reason why  
Umm... she's so lovely when she sighs  
I be feelin' so good I want to cry

[GIRLS:] Take me away (oh-ley, oh-lye)  
We're going on a summer holiday  
Take me away (oh-ley, oh-lye)  
We'll dance until the morning light

Take me away (Yeah, yeah)  
We'll stay together every night and day (Yeah, yeah)  
Up and away (Yeah, yeah)  
And everything will be alright (Yeah, yeah)

[JOHN:] Reggae!

My heart starts beating every time she moves  
Beautiful lady got nothing to prove  
I wanna make-a-love-her every night  
Suddenly I know everythin' alright

[GIRLS:] Take me away (oh-ley, oh-lye)  
We're going on a summer holiday  
Take me away (oh-ley, oh-lye)  
We'll dance until the morning light

Take me away (Yeah, yeah)  
We'll stay together every night and day (Yeah, yeah)  
Up and away (Yeah, yeah)  
And everything will be alright (Yeah, yeah)

[JOHN:] Reggae!

[GIRLS:] (Yeah Yeah) -

[JOHN:] Take it out baby... take it out babe  
Keep dancing! Ow! Yeah Yeah  
Listen to the Scat reggae!

[GIRLS:] Take me away  
We're going on a summer holiday  
(It's my party)

Take me away  
We'll dance until the morning light  
(It's my party)

Take me away (oh-ley, oh-lye)  
We'll stay together every night and day  
(It's my party)

Up and away (oh-ley, oh-lye)  
And everything will be alright  
(It's my party)

Take me away (yeah yeah) -  
Up and away (yeah yeah)...
