Scatman John

Time.

We can do - we can do - we can do it

Take your time

We can do - we can do - we can do it

You know that I been licked and I'm terminally hip

And you see me crawlin in again reakin of the same gin

Through the door many times same condition broken mind

Gotta start the same show all over again

Powerless flowerless cannot do this any more

Remember to surrender to the power of you choice

Acceptance is the answer page 449

Take a time. Take a day at a time.

We can do - we can do - we can do it

Inventory purgatory checked out my soul.

I'm a legend in my own time legend in my own mind.

The plug is in the jug and reality is setting in.

The pink cloud is wearin thin. The girls are lookin good

But I'm broke. But I'm broke.

Hey Tommy lookin good. Got a tan. Feelin better?

Heard you readin chapter five you know how to stay alive.

Every morning hit you knees ninety meetings ninety days.

Heard you share. We care. Check it out Tommy

Take a time. Take a day at a time...
