

I miss you

Schiller

I miss you, where are you now
I miss you, where have you gone
I miss you, waiting my whole life for you
I miss you, but I never met you yet

I miss you, I believe in dreams
I miss you, I believe in you
I miss you, wouldn't even recognize
I miss you, but I never met you yet

I miss you, I believe in dreams
I miss you, I believe in you
I miss you, wouldn't even recognize
I miss you, but I never met you yet
