

Sleepy Storm

Schiller

On the way with bow and arrow
Try to find this thing to shoot
Be on the hunt with bow and arrow
It's a very different trip
Dangerous but necessary
Yes I know
The ice is too thin to walk on
Yes I know
The path too narrow to walk on

Sleepy storm
Where is your beating heart today
Hey sleepy storm
Would I choose to walk or stay

Sleepy storm
Where is your beating heart today
Hey sleepy storm
Would I choose to walk or stay

On my way with bow and arrow
To be on the safe side
Until I lost sight of the land
Far into the night
Be on the hunt with bow and arrow
With bow and arrow
Shall I find your hiding place
Yes I know
The ice is too thin I walk on
Yes I know
The path too narrow I walk on

Sleepy storm
Where is your beating heart today
Hey sleepy storm
Would I choose to walk or stay
