

This Is Your Life

School Boy Humor

The dreams that keep me here
Are worth it
Learn to love your fears
Forever

Our memories disappear
And our shadows learn to
Love these years
Forever

[Chorus:]
This is your life
This is your fight
This is the only time you have to make it
Your life
This is your time
This is the only time you have to make it

The walls that hold me down
Surround me
Learn to love this fight
Cause its worth it

And I know you care
That is fading to darkness
You care that this feeling fades

[Chorus]

The way we move through our fears
To fight for this
The way we breathe for that single
Burning way

Make way for me
I'm heading in your direction
I'm smiling
This is the happiest I've ever been

And make way for me
My voice is shot but I'm singing
I'm singing
I'm the strongest I have ever been

And I know you care
That is fading to darkness
You care that this feeling fades

[Chorus x3]

The way we move through our fears
To fight for this
The way we breathe for that single
Burning way

Make way for me (2x)
