

There are so many things
 I wish I knew how to say
 In a way that you'd understand
 But I can't
 So many times I've tried
 Looking into your eyes for a sign
 That maybe you feel the same
 But you don't
 I didn't realize
 I'd lost so many nights
 Just trying to lose the pain
 And I was a fool to think
 It would be easier to leave
 Than to be left behind

I want you to know that
 I Loved You
 I want you to know that
 I Loved You

Watching the day break
 And fighting the urge to sleep
 'Cause my dreams won't let this die
 All I can see and hear
 In the dark is you
 And it's hard to breathe
 'Cause all I feel when I do
 Is this aching heart

I want you to know that
 I Loved You
 I want you to know that
 I Loved You
 I want you to know that
 I Loved You
 I want you to know that
 I Loved You
