

Prince of Peace

School of Seven Bells

Hinges that sing, swing, swing, swing
Hinges that sing, swing, swing, swing
Hinges that swing, sing, sing, sing
Hinges that swing, sing, sing, sing

I am the prince of peace
El principe de paz
We are the prince of peace
We are the hand of God

I am the sigh sigh sigh
beneath the listless waves
that begin to retreat
into the whole again
