

# Phenomenon

ScHoolboy Q

I feel like a phenomenon  
Like I'm who these people idolize  
And I won't let nothing get in my way  
It ain't a thing, we do this all the time

Got another one, twist another one, off that indo  
That's my medicine, need a bigger lung  
Fame going to my head, call it wisdom  
Now I need racks, yeah, Wimbledon  
This chewing gum, always hold ya tongue  
Never spit it out, we finna miss like cobras huh  
We soldiers huh, you noticed them  
As the tales money flip, until the quota's done  
Yeah, until my single come, be the Devil's son  
Devil's work, getting work, Hallelujah  
Hope the Lord alerts, do a soul search  
Understand my heart's good, but my daughter's first  
Black episode, my down time, needed church  
Precious life what my style is worth  
Won't gain, let my shit assert  
Move on!

We do this all the time  
We do this all the time  
We do this all the time  
All the time

And I'm still up, never gave a damn, never gave a fuck  
All my real niggas, we gon' stay in touch  
Even out of range, nigga do your thang  
You know where I'm at, just holla back  
Where that cash at? Nigga flashback  
Nigga sixteen? A dope sack  
A sixteen? Stretch that  
Double that, yeah, flip that  
Big steps, work hard  
Big yards, slanging footballs  
Have 'em running back, receivers serving corners  
It's taken by the pushers, burners eyes and lookers  
Yeah, yeah, yeah, now see we gotta make it  
We ain't trying to brick, unless we cop a brick  
Accompanied by the razors, you know the shit  
I make it easy, ain't this bout a bitch?  
Move on!

We do this all the time  
We do this all the time  
We do this all the time  
All the time

Said I can't lose, nigga gotta win  
Future looking bright, Thomas Edison  
Here we go again  
Music always kept me calm, nigga ritalin  
Always got it done, you a middleman  
Contraband, yo we get it in  
You are inelegant, my niggas looking militant

Dope boys, what you know about it?  
You just know about it  
A nigga sky high, boy, fuck a pilot  
Microwave it fast boy, fuck a pilot  
Yeah, hold it silence, keep your mouth closed  
The game is to be sold not to be told, you like a ho  
Matter like a auction, gave it to the best bidder  
Lucky I didn't rob you, why your ass bitter?  
I'm that nigga, better ask nigga  
You was a phase, I outlast niggas  
Move on!

We do this all the time  
We do this all the time  
We do this all the time  
All the time
