

To tHa Beat (F'd Up)

ScHoolboy Q

To the beat, beat, beat I'm so high, lets get high To the beat, beat,
beat

I'm gettin' turnt, time to pop a half
In 30 minutes, then it be another half
In 15, it's another half
Pop another one in 5, man this ain't the half
I'm with my niggas gettin' faded, uh
Cognac, vodka, gin and rum thats my favorite, uh
Getting twisted, trippin every night like Vegas
Her friend gon' eat her friend
Tell her friend to save me some
Uh, back with my niggas ridin four deep
Bumpin' Kendrick, poppin' pills, prolly OD
With my nigga Soul, groovy off the OE
My lil nigga foul in, she supply the tree, Paul Jeremy
Ay, get me higher, uh
Roll the windows, pack your car, I'll flat your tires, uh
A nigga stressin', take me from my priors, uh
I think I'm comin' down, just make sure I'm the highest, uh

Who got the weed, nigga get me fucked up (fucked up)
Who got the drank, nigga get me fucked up (fucked up)
Who got the lean, nigga get me fucked up (fucked up)
Who got the E, nigga get me fucked up (fucked up)
I'm fucked up, nigga get me fucked up (fucked up)
Oooh, please don't tell my mama I been
Takin' ecstasy and smoking marijuana, oooh
Uh, yeah thats how it is, uh
No my shit ain't for the kids
Bitch I said I turnt her off
Sunny D gon' keep me on
Swear to God we smoked it all
Keep on smokin' till its gone
Man, that ho gon' fuck us all
Know the words to every song
Her lips on my peace pipe
Baby can we get along, uhh
Let's turn it up a level, uhh
Comin' down so fast man look up at the devil, uhhh yeahh
Let's pop a half
Man I swear this ain't the half
My crib your number, for a fair exchange
Liquor, coke or ecstasy
I'm dope girl, let me free your brain
I'm goin' insane but physically I'm still the same
Codeine, Xanax keep me tame but nothings like my mary jane
