

Screaming 'theater' In A Crowded Fire

Schoolyard Heroes

If I'm not mistaken I've murdered you twice before my dear
It's true my dear you smeared my blood like a whore's mascara
It was the right thing to do at the time
You stabbed me one, two, three, four times
Then I snapped my fingers and I made you mine

Separate the skin from bone
Separate the flesh from soul
Tonight you're mine completely baby
Tonight you'll be my only one

If I'm not mistaken I've torn your heart out three times now
It's true my dear you tore me up like a boy made of paper
It was the right thing to do at the time
You cut me one, two, three, four times
And I cried out you're never gonna see me again

Separate the skin from bone
Separate the flesh from soul
Tonight you're mine completely baby
Tonight you'll be my only one
Tonight

If I'm not mistaken I've murdered you twice before my dear
If I'm not mistaken I've torn your heart out three times now

Separate the life from blood
Devastate the ones you love
Separate the skin from bone
Separate the life from soul
Tonight you're mine completely baby
Tonight you'll be the only one
Tonight
