Comfortably Numb

Scissor Sisters

Hello? Is there anybody in there? Just nod if you can hear me Is there anyone at home?

Come on, now I hear you're feeling down Well I can ease your pain Get you on your feet again

Relax I'll need some information first Just the basic facts Can you show me where it hurts?

There is no pain you are receding A distant ship's smoke on the horizon You are the only coming through in waves Your lips move but I can't hear what you're saying

When I was a child I had a fever My hands felt just like two balloons Now I've got that feeling once again I can't explain you would not understand This is not how I am

I have become comfortably numb

I have become comfortably numb

Okay Just a little pinprick There'll be no more But you may feel a little sick

Can you stand up? I do believe it's working good That'll keep you going through the show Come on it's time to go

There is no pain you are receding A distant ship's smoke on the horizon You are the only coming through in waves Your lips move but I can't hear what you're saying

When I was a child I caught a fleeting glimpse Out of the corner of my eye I turned to look but it was gone I cannot put my finger on it now The child is grown the dream is gone

I have become comfortably numb
