

Mary

Scissor Sisters

I love the tone that's in your laugh
Gasping for an extra breath
Waiting for the time to pass
I believe in days ahead
Don't spend another night alone
Cross and wishing you were dead

R: Mary, you shouldn't let them make you mad
You hold the best you can
And Mary, after all the pain is done
I'm always gonna live to be your man

I've had it easy now you see
When I'm down you're always there
Standing by to comfort me
Someday we'll go around the world
I'll make the journey so sublime
I know you're not a travelin' girl

R:

'Cause I'd give everything I have
Forget all the things that bring me joy
If you could have one day pure and simple happiness
Until that moment comes
I'll be here where I've always been
I'm gonna be your friend until the day I die

R:
