

Ms. Matronic's Magic Message

Scissor Sisters

What's up? It's Pickles. Leave a message.

Now that's what I call a kiki honey.

I wanna flip that over and grip it up again, okay?

I'm so glad you liked the songs I played you and

You know I didn't get to play you everything I've got in my magic bag

So I'm gonna hold the phone up to the speaker right now

Stay tuned honey
