

## And No Matches

Scooter

What can I do do do  
I want you you you  
Gonna jump like I never did before

When I'm fresh off the plane  
And I'm going insane  
Like I just had a bottle of champagne

Diggedy Diggedy Paul  
Ready for another soul  
I just wanna let you know

I put the beats freaks' industries  
Lick on the brick  
And sweet chicks on I check  
Gonna split with the wet

Hallelloo  
jumping crew  
how are you  
This sound is new  
it's true  
and this is your cue

What can I do do do  
I want you you you  
Gonna jump all night  
On the dancefloor  
I say one-two-three  
Just like you and me  
Gonna jump like I  
Never did before

Come on  
Let it roll and jump  
Roll and jump

I put the beats freak industries  
Hotter than hot  
Full on the spot like a gunshot  
No longer tough  
Red stop green goes stereo  
Everybody knows  
I'm gonna make them go

What can I do do do  
I want you you you  
Gonna jump all night  
On the dancefloor  
I say one-two-three  
Just like you and me  
Gonna jump like I  
Never did before

Yeah  
You know what  
I don't know either

Alright, listen  
Three men in a boat with four cigarettes  
And no matches  
How do they manage to smoke

Here we go again

What can I do do do  
I want you you you  
Gonna jump all night  
On the dancefloor  
I say one-two-three  
Just like you and me  
Gonna jump like I  
Never did before
