

## Beyond the Invisible

Scooter

Close your eyes, just feel and realise  
It is real and not a dream  
I'm in you and you're in me

It is time to break the chains of life  
If you follow you will see  
What's beyond reality

One, two, three, four, five, let's ride  
All the crew walk side by side  
Kick another bar, so alive  
Lyrical twist with a lemon and lime  
Coming on the mic, provide the vibe  
Coming on the mic, provide the vibe  
It's not where you take things from  
It's where you take them to

Close your eyes, just feel and realise  
It is real and not a dream  
I'm in you and you're in me

It is time to break the chains of life  
If you follow you will see  
What's beyond reality

Bust a vibe, shake the sound  
Kick with a twist, jump up and down  
Rock the bassline got the tune  
Beaumarchais in the afternoon  
Coming on the mic, provide the vibe  
Coming on the mic, provide the vibe  
It's not where you take things from  
It's where you take them to

Close your eyes, just feel and realise  
It is real and not a dream  
I'm in you and you're in me

It is time to break the chains of life  
If you follow you will see  
What's beyond reality
