

I'm rocking to the rhythm of the groovy, groovy  
Rocking to the rhythm of the beat I, beat I  
Looking for a good time I'm the guy  
I'm the party and that's no lie  
I'm here to excite, do it right  
Getting a strong for one more night  
If you rock the decks, I start to flex  
Get me in the zone on the microphone

I'm rocking to the rhythm of the groovy, groovy  
Rocking to the rhythm of the beat I, beat I  
Looking for a good time I'm the guy  
I'm the party and that's no lie  
Check out the sound, here is the rhythm  
Even bigger than before if it's loud and kicking  
If you rock the decks, I start to flex  
Get me in the zone on the microphone
