

Crazy

Scooter

We've been working hard day and night
Enough time wasted
From the dark until light
Guess tonight I'm going crazy
Uh-oh, uh-oh
Enough time wasted
Uh-oh, uh-oh
Guess tonight I'm going crazy
Welcome to the jungle!
We are one!
Yeah!
Hold me back!
Wake up!
Boom bada bing bada boom bada bam
Who's on the mic with a rhytm of a gun?
Boom bada bing bada boom bada bam
Drop it in a rocket and I wanna get down
Boom bada bing bada boom bada bam
Who's on the mic with a rhytm of a gun?
Boom bada bing bada boom bada bam
Drop it in a rocket and I wanna get down

We've been working hard day and night
Enough time wasted
From the dark until light
Guess tonight I'm going crazy
Uh-oh, uh-oh
Enough time wasted
Uh-oh, uh-oh
Guess tonight I'm going crazy
Clear the lane
No time to explain
Can't stop
Boom bada bing bada boom bada bam
Who's on the mic with a rhytm of a gun?
Boom bada bing bada boom bada bam
Drop it in a rocket and I wanna get down
Boom bada bing bada boom bada bam
Who's on the mic with a rhytm of a gun?
Boom bada bing bada boom bada bam
Drop it in a rocket and I wanna get down

Come on!

Uh-oh, uh-oh
Guess tonight I'm going crazy
