

# Don't Gimme the Funk

Scooter

Coming up strong with the microphone  
This is the spirit that turns me on  
Radical rhythms you've never known  
One, two, one, two, three, four  
The cool crew is back  
Here is the next attack  
We like to go that way  
We don't care what they say  
So come get in now  
I wanna shout it out  
Time will never stop  
So let's start it up  
We don't let you down, I wanna go for  
We don't let you down, I wanna go for  
Let's go turnaround  
Don't want it no more  
We don't let you down

Don't gimme the funk  
Don't gimme the funk  
Yeah!  
C'mon!  
Yes!

We know we are respected  
All the things expected  
We don't care about  
Just play it loud  
We don't let you down, I wanna go for  
We don't let you down, I wanna go for  
Let's go turnaround  
Don't want it no more  
We don't let you down

Don't gimme the funk  
Don't gimme the funk

Everybody start walking in the air  
Throw your hands out in the atmosphere  
I'm gonna grab the mic to your delight  
Let's go out for the night  
Keep it up  
Alright now  
Yeah, yeah  
Come on  
Don't gimme the funk  
Don't gimme the funk
