

# Dreams

Scooter

I'm on a mission, to go on  
And flow on you know you got to hold on  
Right with the drum and bass  
Cause we're ready to show down  
So play this tune in your town  
Rough when I rock the mic not enough got the stuff  
I'm eccentric, my body's electric  
Ecstatic, energetic bold and proud  
Yeeah..., when you're down on the floor  
Can you shout out loud  
Like you got the score !

Dreams are my reality  
The only kind of real fantasy  
Illusions are a common thing  
I try to live in dreams  
It seems as if it's meant to be

It's big and bigger, I'm quick on the trigger  
Fresh bars right I'm going to deliver  
Lyrical, miracle, empirical dictator  
Words so clear, I don't need a translator  
I'm the pre-storm silence  
Thunder is coming  
Get in line your mind  
When the bass drum is drumming

Yeeah..., when you're down on the floor  
Can you shout out loud  
Like you got the score !

Dreams are my reality  
The only kind of real fantasy  
Illusions are a common thing  
I try to live in dreams  
It seems as if it's meant to be

Come on  
70's party  
Take a ..... requested  
The evening .....  
Yeah !

I'm the pre-storm silence  
Thunder is coming  
Get in line your mind  
When the bass drum is drumming

Yeeah..., when you're down on the floor  
Can you shout out loud  
Like you got the score !

Dreams are my reality  
The only kind of real fantasy  
Illusions are a common thing  
I try to live in dreams  
It seems as if it's meant to be
