

## Expecting More from Ratty

Scooter

I can't change  
I just wanna do it  
On the microphone just get into it  
Come on tonight from left to right  
Everybody now get ready for the night

Tough like steel and dangerous  
We gonna rock the house, it's still like this  
No time to chill so keep on moving  
Get into the place, MC is grooving  
Tough like steel and dangerous  
We gonna rock the house, it's still like this  
No time to chill so keep on moving  
Get into the place, MC is grooving

Expecting more from ratty  
Expecting more from ratty  
Expecting more from ratty  
Expecting more...  
(Expecting more from ratty)  
(Expecting more from ratty)  
(Expecting more from ratty)  
(Expecting more from ratty)  
(Expecting more from ratty)

As a matter of fact  
In '92 I can't explain  
It's up to you  
If you know what I mean it's the freaky scene  
And things have changed a lot in between

So come on tonight and let them go  
For those about who left the show  
I recommend to join the case  
The last call to rock the place  
Come on tonight and let them go  
For those about who left the show  
I recommend to join the case  
The last call to rock the place

Expecting more from ratty  
Expecting more from ratty  
Expecting more from ratty  
Expecting more from ratty  
Expecting more...  
(Expecting more from ratty)  
(Expecting more from ratty)  
(Expecting more from ratty)  
(Expecting more from ratty)  
(Expecting more from ratty)
