

## Fallin'

Scooter

You gotta catch me  
'coz I'm fallin'  
Fallin' deeper into you  
Ressurect me  
Cause I'm floating  
And there's nothing I could do  
I am fa - a - a - allin'  
Fa - a - a - allin'  
I am fa - a - a - allin'  
Oh, there's nothing I could do

You gotta catch me  
'coz I'm fallin'  
Fallin' deeper into you  
Ressurect me  
Cause I'm floating  
And there's nothing I could do  
I am fa - a - a - allin'  
Fa - a - a - allin'  
I am fa - a - a - allin'  
Oh, there's nothing I could do
