

Fuck Forever

Scooter

I just wanna live tonight
I don't wanna make it right
Don't care if you live or die
So fuck forever
I just wanna live tonight
I don't wanna make it right
Don't care if you live or die
So fuck forever, fuck forever tonight

Fuck

I just wanna live tonight
I don't wanna make it right
Don't care if you live or die
So fuck forever
I just wanna live tonight
I don't wanna make it right
Don't care if you live or die
So fuck forever, fuck forever tonight

I don't wanna make it right
