

I Wish I Was

Scooter

Oh I wish I was a raver with neon-colored hair
With techno house and acid sound, revolution in the air
I was born too late to a world that doesn't care
Oh I wish I was a raver with neon-colored hair

This is a rare rare exhibit
It's to make a make a minute
See what's on my on my district party party, techno DJ
Rare rare exhibit
It's to make a make a minute
All club buzzing, all excited, all excited

We wanna rock the house like it's '94
We will break the crew when you're off the floor
Party crew let me see how you raise your hands
You just reach the floor and you start to dance

Oh I wish I was a raver with neon-colored hair
With techno house and acid sound, revolution in the air
I was born too late to a world that doesn't care
