

It's A Biz

Scooter

Ding din, when I spit it's frightening
My words - Quicker than lightning
Ready for challenge - no doubt
If you play this, play it loud
Listen to bootleg mp3
Post it on my ftp
Tick tock bodyrock, lyrical bomb
Everybody tuned in
Got another brand new one to spin
When I say he you say sie
This tune's banging on the M.I.C
It's me and this is the place to be
Chattin' pon the mic, I'm gonna flex
Simply the best
Mix it down, sweep the mids, make it phat
Now it's a biz

Chaptured effortlessly
That's the way it was
It happens so naturely
I did not know it was love
The next thing I felt was you
Holding me close what was I gonna do
I let myself go

And now we fly through the stars
Want this night will last for ever
And now fly through the stars
Want this night will last for ever

So who do you think you are?
You will never ever get that far
Like cheese and crackers, salt and coffee
When I spit it tastes like coffee
Mix it down, sweep the mids, make it phat
Now it's a biz

Ain't nobody
Loves me better
Makes me happy
Makes me feel this way
Ain't nobody
Loves me better than you

Mix it down, it's a biz

Chaptured effortlessly
That's the way it was
It happens so naturely
I did not know it was love
The next thing I felt was you
Holding me close what was I gonna do
I let myself go

And now we fly through the stars
Want this night will last for ever
And now fly through the stars

Want this night will last for ever

Ain't nobody
Loves me better
Makes me happy
Makes me feel this way
Ain't nobody
Loves me better than you

Ain't nobody
Loves me better
Makes me happy
Makes me feel this way
Ain't nobody
Loves me better than you

Mix it down, it's a biz

Ain't nobody
Ain't nobody

Ding din, when I spit it's frightening
