Scooter

Uncore, Hardcore

Posse saw ya on the border,  
Jungle jumper , under order

Uncore, Hardcore  
Rock you down to the floor  
Posse saw ya on the border,  
Jungle jumper , under order

Every minute, every hour  
got the power, take a shower,  
Brand stuff  
Screaming Lord.  
Wicked and tough

Uncore, Hardcore  
Rock you down to the floor  
Posse saw ya on the border,  
Jungle jumper , under order

Every minute, every hour  
got the power, take a shower,  
Brand stuff  
Screaming Lord.  
Wicked and tough

Right now!  
Say lord have mercy

Ive got the money,  
Ive got the place,  
You've got the figure  
You got the face,

Lets get together,  
Were jumping all over,  
all over the world.

Ive got the music,  
Ive got the lights,  
Youve got the figure,  
full of delights

Lets get together,  
Were jumping all over,  
all over the world.

Ive got position,  
Ive got the name,  
Youve got the power to drive me insane,

Lets get together,  
Were jumping all over, all over the world,

Ive got the money,  
Ive got the place,

You've got the figure  
You got the face,

Lets get together,  
Were jumping all over, all over the world,

Altogether now!
