

My Eyes Are Dry

Scooter

No tears for the creatures of the night
No tears
My eyes are dry
Goodbye
No tears
No tears
No tears

Un, deux, trois, quatre, cinq.

So like they say
Every dog has it's day
So I just pray
For the days of my youth
To meet my moment of truth
No tears
No tears
No tears for the creatures of the night
My eyes are dry
Goodbye
