

Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice
Ignore the dreams- Too many lies
Somewhere deep inside
Somewhere deep inside me- I found
The child I used to be
And I know that it's not too late
Never- Too Late

3 a.m.
The painted cow
You ain't stoppin' us now (wonderful human beings)
Yeah, I am the junglist souljah
Come on, the rocker lancer stomped ja
It's not a bird, it's not a plane
It must be Dave who's on the train
Wanna wanna getcha
Gonna gonna getcha
Tell them what I told ya

Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice
Ignore the dreams- Too many lies
Somewhere deep inside
Somewhere deep inside me- I found
The child I used to be
And I know that it's not too late
Never- Too Late

Alright!
Are you ready, it's not a game
I chant so much, I turn you insane
Wanna wanna getcha
Gonna gonna getcha
Mashing up the area, yeah
I am the freshman
Mashing up the jam
Turning up the stereo
Join the caravan!
SKIPPY, the rain won't come!

Somewhere deep inside
Somewhere deep inside me- I found
The child I used to be
And I know that it's not too late
Never- Too Late
