

Panties Wanted

Scooter

Check the tracklist
You're gonna get it
I'm energetic and unprotected
And if you diss me
You will regret it
When I'm bouncing, I'm like a rabbit
See a punchbag, I wanna grab it
Yes my DJ, you got the real shit
Let attack with the impact
The mic-phones like cyclones

OK, OK, Ok
This song is dedicated to all rocker chicks in the house
Yeah
We want you now to take off....
Your bras and your panties
Yeah
Throw them all onto the stage
And do it now!

One, two, three, four
Come on
Yeah
Here we go
