

Roll Baby Roll

Scooter

Swinging in the jungle
Never stop the turntable madness
Ready to blast

Yeah

If you wanna get the vibe
Just come and take a taste
Cuse time is going quick
And there's no time to waste
Falling deeper in to your hole
Just go ahead and roll

I say hi you say hello
I say yes you say no
I say wistle you just blow
So roll baby roll

I say hi you say hello
I say yes you say no
I say wistle you just blow
So roll baby roll

We leave a breake and a smile
Inside the venue
This ones dedicated to the junglist crew
Feel the bass drop vibrating you spirit
If you see a speaker come here n get near it
Ride again ride again
Roll again roll again
Bass the jungle dance and bounce baby bounce

Let me hear ya!

I say hi you say hello
I say yes you say no
I say wistle you just blow
So roll baby roll

I say hi you say hello
I say yes you say no
I say wistle you just blow
So roll baby roll
