

Sex and Drugs and Rock 'n' Roll

Scooter

Taking ya off the league
Indeed it's what I need
I'm faster than most
Cause I live on the coast
I'm here to progress
Way above all the rest
Gonna rip it up, we gonna kick it up
This tune is good and new
Come back and see my crew
Rock the set with a p for perfection
That's me

Ohh, ohh, ohh, ohh
Sex & Drugs & Rock'n'roll
Ohh, ohh, ohh, ohh
Let your kiss unleash my soul

Ohh, ohh, ohh, ohh
Sex & Drugs & Rock'n'roll
Ohh, ohh, ohh, ohh
Let your kiss unleash my soul

With all the rhymes I shoot
When all the chicks are cute
So let this rhyme flow
And let yourself go
I'm here to progress
Way above all the rest
We gonna kick it up
This is the big mash up
I'll run so many miles
I've got so many styles
Rock the set with a p for perfection
That's me

Ohh, ohh, ohh, ohh
Sex & Drugs & Rock'n'roll
Ohh, ohh, ohh, ohh
Let your kiss unleash my soul

Ohh, ohh, ohh, ohh
Sex & Drugs & Rock'n'roll
Ohh, ohh, ohh, ohh
Let your kiss unleash my soul
