

# State of Mind

Scooter

The world seems not the same...

Introducing twisting mystic vibes, yeah!

If you wanna rock now - let me know,  
Put your hands up now and let's go  
Scream if you feel it, hands up you deal it,  
Everybody now bounce it up and down  
If you're feeling bad you feel like F.U.C.K, what I  
gotta say, listen to the DJ  
18 shots, you don't score a goal,  
See I smash on a track, you get out of control

The world seems not the same  
Though I know nothing has changed  
It's all my state of mind  
I can't leave it all behind

The world seems not the same  
Though I know nothing has changed  
It's all my state of mind  
I can't leave it all behind

Yeah!  
Let your soul get undressed, and open up your mind!  
Yeeeeaaaah!

If you wanna rock now - let me know!  
Put your hands up now and let's go!  
Scream if you feel it, hands up you deal it  
Everybody now bounce it up and down

The world seems not the same  
Though I know nothing has changed  
It's all my state of mind  
I can't leave it all behind

Release the pressure!  
As we fly with the rhythm!  
I need to know, would you die, for the rhythm?  
'Cos I could die, for the rhythm  
We're getting high with the rhythm

It's all my state of mind  
I can't leave it all behind
