

Sugary Dip

Scooter

Here with the venom banging with the treble
Comin' and movin' and rocking like a rebel
Another lyric like a bullet from a gun
Another twist with the mc number one

Another level, carry on like a rebel
Now hear them saying man this is a devil
Never calm, never sit, I never settle
Winning every battle and never get a medal

Have you ever been mellow
Have you ever tried
Have you ever been happy
Just to hear a song

Yes !

Have you ever been mellow
Have you ever tried
Have you ever been happy
Just to hear a song

Come on !
Yeah !

Bust a vibe when we come into the place
Kick another rhyme with the lyrical race
When I'm in the place and I'm kickin' it down
Rocking right now with the hardcore sound

All of the crew doin' it one more time
Jumpin' to the rhythm of the BD bassline
I said I just don't care who I'm gonna rip
Coming on through I'm like a sugary dip yes !

Have you ever been mellow
Have you ever tried
Have you ever been happy
Just to hear a song

Alright !

Have you ever been mellow
Have you ever tried
Have you ever been happy
Just to hear a song

Yeah-eah !
I'm like a sugary dip
Yes !

All of the crew doin' it one more time
Jumpin' to the rhythm of the BD bassline
I said I just don't care who I'm gonna rip
Coming on through I'm like a sugary dip, yes !

Have you ever been mellow

Have you ever tried
Have you ever been happy
Just to hear a song

Have you ever been mellow
Have you ever tried
Have you ever been happy
Just to hear a song
