

## The First Time

Scooter

The first time, I've never seen this place,  
the first time, I ever saw your face.  
The first time, I've never seen this place,  
the first time, I ever saw your face.  
The first time, I've never seen this place,  
the first time, I ever saw your face.  
The first time ...

The first time, I've never seen this place,  
the first time, I ever saw your face.  
The first time, I've never seen this place,  
the first time, I ever saw your face.  
The first time, I've never seen this place,  
the first time, I ever saw your face.  
The first time ...
