

The Sound Above My Hair

Scooter

Here I go
Out to rave again
Hardcore fills the air
The sound above my hair
Lights in the sky, and in my eyes
You know it feels unfair
There's party everywhere

Here I go
Out to rave again
Hardcore fills the air
The sound above my hair
Lights in the sky, and in my eyes
You know it feels unfair
There's party everywhere

Let's Go!
Cool!
We had the energy!
If you want it you had it.
Yeach
Together, where are you.

Here I go
Out to rave again
Hardcore fills the air
The sound above my hair
Lights in the sky, and in my eyes
You know it feels unfair
There's party everywhere

Here I go
Out to rave again
Hardcore fills the air
The sound above my hair
Lights in the sky, and in my eyes
You know it feels unfair
There's party everywhere

Here we go!
Yeach.
I want again.
Let me see you smile!
I wanna have you!

Here I go
Out to rave again
Hardcore fills the air
The sound above my hair
Lights in the sky, and in my eyes
You know it feels unfair
There's party everywhere

The sound above my hair.
