Check, check, check

1, 2, 3, in the place to be
This one is for the electric generation
Introducing the ultimate sound
This track is called
We are the greatest

There will be Scooter in the house We gonna rock you tonite And the incredible H.P. is gonna Make you feel right There is Ricky on the case and Wicked Axel too So come on join the party Make your body move All those sexy girls are dancing To the beat on the floor And the grazy guys are freaking out Like never before Turn up the volume And make the speakers blast Move your body to the rhythm Like this day is your last

There's a party in the place
And you'll be rock it tonite
So bring your body with you baby
And I make you feel right
It's a pretty celebration of a natural kind
And a pleasure your experience
Will blow your mind
Everybody will be dancing
To the beat on the floor
You really come to situations
Never part of before
Satisfaction guaranteed
If you know what I mean
And if you walk in through that door
It's such a freaky scene

We are the greatest We are the greatest We are the greatest We are the...

Whats up what's up
Are you ready for some radical rhythms
Representing the extraordinary
I want to see everybody on this
Just keep in mind
Together
We are the greatest

Everybody will be dancing the beat on the floor The beat on the floor You really come to situations Never part of before Satisfaction guaranteed

If you know what I mean

And if you walk in through that door

It's such a freaky scene

We are the greatest We are the greatest We are the greatest We are the greatest

Leaving the building now
This won't be the last time
Get prepared for the next experience
You are not alone
Now and forever Scooter
Gonna rock the place
Yeah
