We Take You Higher

Posse, make your choice Come on, feel the noise So jump jump a little higher Jump jump a little higher Keep it right now

Ravers, you like it rough All of you can't get enough So jump jump a little higher Jump jump a little higher Slowing it down

Breakbeat, that's the groove Come on, make it move So jump jump a little higher Jump jump a little higher Keep it right now

Posse, we spin you 'round Hardcore, that's the sound So jump jump a little higher Jump jump a little higher Slowing it down

WE TAKE YOU HIGHER!
