

## Arizona

## Scorpions

Arizona really was a gas  
I was screwed up in a total mess  
Mindblowing all the way, you know  
Just out of sight  
Some girl stopped me in the street at night  
Ooh, what a knockout and she felt so right  
Ooh, yeah she took my breath away  
Just out of sight  
Loved her in her car  
Took me to the stars  
Babe, we went nuts all the way  
Loved her on the moon  
Morning came too soon  
She got me high ...
