

Can't Get Enough

Scorpions

That's the stuff that turns me on
More than gold and money
I need sounds loud and rough
Like the bee the honey my love
I can't get enough

Move you legs stamp your feet
The language of your body
Is right now all need
To understand you're ready for love
I can't get enough

Burning lips the taste of life
High energy hot feelings
Heavy sounds to feel alright
And Rock 'n' Roll for Speed Kings my love
I can't get enough
We can't get enough
