

Does Anyone Know

Scorpions

1. Is this world out of control
say what is right, what is wrong
Do I know this world at all
I think I do, but then I don't
I confused by what I see
I try to understand
but it makes no sense at all
I confused by what I feel
I thought that our love
was something that is real

R: Does anyone know (the truth we're looking for)
the truth we're looking for
can't find it anymore
Does anyone know (the truth we're looking for)
how to make me feel
for something that is real

2. So many things that I recall
when we were young, just flying high
Can we turn our fate at all
I wish we could, say don't you cry
I confused by what I hear
girl it seems to me
we're loosing after all
I confused by what I feel
I thought that our love
was something that is real

R: Does anyone know...

*: Another day has just begun
life goes on there's no return (no return)
how can I trust anyone
when honesty is such a dirty word

R: Does anyone know... (2x)

uuu... uuuh...

yeaaah...
