

Far Away

Scorpions

Take your hand and you take my hand
Let's try to learn to fly
Here what I say, here what I say
Dream and close your eyes
Too much hate
Too much hate
So many things are wrong
So many ways, so many ways
Flying through the sky forever
into another time
Yesterday so far away
Many miles together
Were looking for a way
Day by day
So far away
All the world
To do the same
So we go together
Will you show me the way
Time has gone
It has gone
Far away, far away
And today
I'll see a way
Follow me we love you
Just listen, what I say
Forget your name and yesterday
Put out your hand
I'll do the same
Now were going to another land
Will you show me the way
Time has gone
It has gone far away
Far away
