

Auf wiedersehen
It's time to say goodbye
The party's over as the laughter dies
An angel cries

It's au revoir to your insanity
You sold your soul to feed your vanity
Your fantasies and lies

1. You're a drop in the rain
Just a number not a name
And you don't see it
You don't believe it
At the end of the day
You're a needle in the hay
You signed and sealed it
And now you gotta deal with it

R: Humanity

Be on your way
Adios amigo there's a price to pay
For all the egotistic games you played
The world you made is gone

2. You're a drop in the rain
Just a number not a name
And you don't see it
You don't believe it
At the end of the day
You're a needle in the hay
You signed and sealed it
And now you gotta deal with it

R: Humanity...

Run and hide there's fire in the sky
Stay inside
The water's gonna rise and pull you under
In your eyes I'm staring at the end of time
Nothing can change us
No one can save us from ourselves

3. You're a drop in the rain
Just a number not a name
And you don't see it
You don't believe it
At the end of the day
You're a needle in the hay
You signed and sealed it
And now you gotta deal with it

R: Humanity
