

Lady Starlight

Scorpions

Walk through winternight
looking the stars passing time
Dream about the summerdays
loving you so and lonely pains
I see the stars they're miles and miles away
like our love of one of these lovely winternights
Dreaming through winternight
memories of you of passing by
Seems to me like yesterday
I think you do I couldn't stay

I see ...
like our love
lady starlight help me to find my love
lady starlight help me tonight
help me to find my love

Walk ...
Snow touches with the wind
I wish I could be with you again

I see ...
