

## Lady Starlight

Scorpions

Walk through winternight  
looking the stars passing time  
Dream about the summerdays  
loving you so and lonely pains  
I see the stars they're miles and miles away  
like our love of one of these lovely winternights  
Dreaming through winternight  
memories of you of passing by  
Seems to me like yesterday  
I think you do I couldn't stay

I see ...  
like our love  
lady starlight help me to find my love  
lady starlight help me tonight  
help me to find my love

Walk ...  
Snow touches with the wind  
I wish I could be with you again

I see ...
