

Life Is Too Short

Scorpions

1. Have you ever seen the morning
When the sun comes out the shore
And the silence makes the beauty for a sound
Have you ever sat awaiting
For the time to stand still
For all the world to stop from turning around

R: And you run
'Cause life is too short
And you run
'Cause life is too short

2. Have you ever seen the glowing
When the moon is on the rise
And the dreams are close to the ones that we love
Have you ever sat awaiting
For heaven to give a sign
So we could find the place where angels come from

R: And you run... (2x)

*: There's a time that turns
Turn back time
But I don't say: "I can"
And only words if you believe in the truth
There's a time to live
And a time to cry
But if you're by my side
I will try to catch a star
I'll try to catch a star just for you

R: And I run... (2x)

....too short
...too short
Life is too short
...too short
Yeah, ...too short
...too short
