- 1. Have you ever seen the morning When the sun comes out the shore And the silence makes the beauty for a sound Have you ever sat awaiting For the time to stand still For all the world to stop from turning around
- R: And you run
 'Cause life is too short
 And you run
 'Cause life is too short
- 2. Have you ever seen the glowing When the moon is on the rise And the dreams are close to the ones that we love Have you ever sat awaiting For heaven to give a sign So we could find the place where angels come from
- R: And you run... (2x)
- *: There's a time that turns
 Turn back time
 But I don't say: "I can"
 And only words if you believe in the truth
 There's a time to live
 And a time to cry
 But if you're by my side
 I will try to catch a star
 I'll try to catch a star just for you
- R: And I run... (2x)
 -too short
 ...too short
 Life is too short
 ...too short
 Yeah, ...too short
 ...too short
