

Lonely Nights

Scorpions

1. Since you're gone there is an empty space
Since you're gone the world is not the same

I go back to the places we've been
Feels like you're still there
I lived on those moments again
Wishing you were here

2. Since you're gone there is a lonely heart
Since you're gone nothing is like it was

The memories all over the place
Bringing it back all so clear
Remember all of those days
Wishing you were here

- R: On those lonely nights,
lonely nights, lonely nights
lonely nights, lonely nights
I got to fight for you, yes I do
On those lonely nights,
lonely nights, lonely nights
lonely nights, lonely nights
I got to fight for you, yes I do
Yes, I do

3. Since you're gone there is a heart that bleeds
Since you're gone I'm not the man I used to be

I follow your steps in the snow
Traces disappear
We know what we've lost when it's gone
I'm wishing you were here

- R: On those lonely nights...

4. I go back to the places we've been
Feels like you're still there
I lived on those moments again
Wishing you were here

- R: On those lonely nights...
